**ORDER**

Grievance in this application is that permission for felling 3000 trees and transplantation of 3500 trees has been given by the Secretary, Environment, Delhi Government in favour of National Highway Authority of India for Dwarka Expressway Package-2 without into account whether transplantation is viable and without ensuring compensatory afforestation. There is no proper assessment of the survival rate of trees to be transplanted.

Before we consider the matter, we find it necessary to require a factual report in the matter from the PCCF, Delhi which may be furnished within one month by email at [judicial-ngt@gov.in](mailto:judicial-ngt@gov.in).
